

# Medicare UI

## Medicare LoginPage

The screenshot shows a web browser window with the URL `localhost:4200/login`. The page features a dark blue background with a hexagonal pattern and several circular icons representing medical concepts like a heart, a person, a brain, a microscope, a plus sign, a hospital bed, a person in a wheelchair, and a caduceus. A central white box contains the login form. At the top of the form, it says "Online Medicare" and "Login Here". Below this are input fields for "Email address" (containing `sbhushan1305@gmail.com`) and "Password" (masked with dots). A "Sign in" button is at the bottom of the form. Below the form, it says "Not a member? [Register](#)". A dark notification box at the top of the form area says "localhost:4200 says Login Failed..! Check Your Email And Password Or Register First" with an "OK" button.

The screenshot shows a web browser window with the URL `localhost:4200/registration`. The page features the same dark blue background and medical icons as the login page. A central white box contains the registration form. At the top of the form, it says "Registration Form". Below this are input fields for "Full Name" (containing `Shashi Bhushan`), "Email address" (containing `sbhushan1305@gmail.com`), and "Password" (masked with dots). Below the password field is a "Choose Your Role:" dropdown menu with "Admin" selected. At the bottom of the form are "Register" and "Reset All" buttons. Below the form, it says "Already member? [Login](#)". A dark notification box at the top of the form area says "localhost:4200 says Successfully Added...Enjoy Now" with an "OK" button.

## Save and secure in database

The screenshot shows the MySQL Workbench interface. The left sidebar displays the 'SCHEMAS' tree with a search filter. The main query window shows a query executed on the 'registraiondb' database. The 'Result Grid' displays the following data:

| userid | role  | useremail              | username       | userpassword |
|--------|-------|------------------------|----------------|--------------|
| 1      | admin | sbhushan1305@gmail.com | Shadhi Bhushan | 12345        |

The 'Output' pane at the bottom shows the execution log:

| # | Time     | Action  | Message           | Duration / Fetch      |
|---|----------|---|-------------------|-----------------------|
| 1 | 22:58:46 | SELECT * FROM medicareapp.registraiondb LIMIT 0, 1000 | 5 row(s) returned | 0.016 sec / 0.000 sec |
| 2 | 23:34:36 | DROP TABLE `medicareapp`.`productdb`                  | 0 row(s) affected | 0.031 sec             |
| 3 | 23:34:42 | DROP TABLE `medicareapp`.`registraiondb`              | 0 row(s) affected | 0.016 sec             |
| 4 | 23:43:31 | SELECT * FROM medicareapp.registraiondb LIMIT 0, 1000 | 1 row(s) returned | 0.000 sec / 0.000 sec |

After login successfully with successful message. As soon click on ok will navigate to Home Page

The screenshot shows a web browser displaying the 'Online Medicare' login page. A success message dialog box is visible, stating 'localhost:4200 says login Successfully..Enjoy Now' with an 'OK' button. The login form includes the following fields and elements:

- Online Medicare** (Page Title)
- Login Here** (Section Header)
- Email address** (Label) with input field containing 'sbhushan1305@gmail.com'
- Password** (Label) with input field containing '\*\*\*\*\*'
- Sign in** (Button)
- Not a member? Register** (Text with a link)

The background of the page features a dark blue theme with various medical icons (heart, brain, microscope, hospital bed, etc.) and a network diagram.

### Medicare, Name of Trust

There's a lot to get to know. From your basic Medicare coverage to Medigap plans to enrollment periods and more. We've found that while not many are particularly thrilled about wading through all the information associated with Medicare, everyone certainly wants to make the right Medicare choices. Medicare Nationwide instills that sort of confidence in our clients. We make sure you receive the coverage that's right for you throughout your retirement. And the best part is that we're free to work with! Insurance carriers compensate independent brokers like Medicare Nationwide with a commission for enrollment. So, there's no charge from us and no change to your plan's overall price.

## Product Added in Database successfully

The screenshot shows the MySQL Workbench interface. The 'Schemas' pane on the left lists the database structure, including 'productdb'. The 'Query' editor shows a SQL statement: `SELECT * FROM medicareapp.productdb;`. The 'Result Grid' displays the output of the query, showing columns: productid, product\_brand, product\_description, product\_discount, product\_discounted\_price, product\_image, product\_name, product\_price, and product\_total\_quantity. The output shows one row for 'Medicare A' with a product description 'Vitamin A Description' and a price of 5. The 'Output' pane at the bottom shows the execution log, indicating that the product was successfully added to the database.

| productid | product_brand | product_description   | product_discount | product_discounted_price | product_image                                   | product_name | product_price | product_total_quantity |
|-----------|---------------|-----------------------|------------------|--------------------------|---|--------------|---------------|------------------------|
| 1         | Medicare A    | Vitamin A Description | 5                | 0                        | https://s.inimg.com/data5/SELLER/Default/202... | Vitamin A    | 5             | 10                     |

## People can buy Product Now

The screenshot shows a web application running on a browser. The URL bar indicates the page is 'localhost:4200/payment'. The page has a dark blue background with a glowing heart shape on the right. In the center, there is a white box with a green border containing the text 'Pay Here' and 'Your Total Amount is :'. Below this, there is a form with a label 'Pay Here' and a text input field 'Enter Amount'. There are two buttons, 'Pay' and 'Back', below the input field. At the bottom of the white box, there is a photograph of a pharmacist handing a bag of pills to a customer.
